## Can I file a tax return using FileSmart™?

Gabbi - 2024-10-22 - Tax Returns

Submitting your tax return is made easy with a FileSmart™ membership! Tax returns are due on April 15, 2014, unless you have successfully filed an extension.

If you feel like you have time and knowledge to file your return then our easy-to-use DIY (Do It Yourself) software is the best fit for you. Our software walks you through your particular tax situation at your own pace.

If you need to file a tax return for your business, our Certified CPAs are ready to assist you.
