

How do I use the Ask an Expert feature?

Gabbi - 2025-07-06 - FileSmart™ Membership FAQs

FileSmart™ Tax Experts are at your service year-round to answer your personalized tax questions and help you save money! Our experts are here to help you every step of the way, so you can feel confident in your financial decisions.

You can ask anything from whether or not certain income is taxable to common self-employed tax deductions. After logging into your account, click the Ask an Expert button and submit your questions. Your FileSmart™ membership includes up to 5 questions a month!

After logging in, click Ask an Expert on your dashboard and our tax experts will assist you further.
