Is FileSmart™ genuine, theft free, and valid?

Gabbi - 2025-04-11 - FileSmart™ Membership FAQs

We are an Authorized IRS e-file provider, and are required to pass security and privacy tests by the IRS in order to provide this service. These rigorous tests are required to electronically submit data directly to the IRS. This status can be verified with the IRS directly.

We protect your data as if it were our own. We utilize military-grade data storage processes to ensure that all your data is 100% secure. Your privacy is guaranteed—we do not share any customer data with unaffiliated third parties as specified in our [privacy policy](#).
